Members reported that there had been visits from the Speed Control vehicle and that several people had been caught speeding on camera.
6. **Council to agree minutes of meeting held on 12th November 2018;** it was agreed that these were a true and accurate record of the meeting; proposed by Councillor L Padmore seconded by Councillor P Daimond and agree by all members present.
7. **Clerk to report on matters from the minutes not covered elsewhere on the agenda.** The clerk reported that she had attended a meeting of the Town & Parish Council Forum at the Shirehall and been able to speak to Steve Brown, Head of Highways at Shropshire Council, who had agreed to attend the Parish Council meeting in January to speak to members on the Sundorne Roundabout. She had contacted all the prospective sponsors and explained the situation to them and invited them to attend the January meeting to hear what Steve Brown has to say and possibly contribute to the discussion.
8. **To receive Reports from Shropshire Councillor L Picton;** Councillor Picton had also spoken to Steve Brown about the roundabout and asked him to bring some proposals to the January meeting.
There are likely to be Boundary reviews in 2021 and this may lead to a reduction in the number of parish councils.
The financial situation is still in a bad way although Shropshire Council has received some £7.3 million for highways.
Councillor Picton wished all members of the Parish Council a Merry Christmas and left the meeting after making her report.
9. **Sundorne Roundabout update. See above**
10. **To receive reports from**
 - Neighbourhood watch;
 - Any other meetings attended by members; the clerk had attended two meetings on behalf of the council. The SALC Area Meeting and the Town & Parish Council Forum. She explained to the members the benefits if attending the SALC Area Meeting as it was a very useful place to meet other Councillors and hear what is happening in other parishes in the area. The Town & Parish Council Forum was where current matters that were relevant to the sector were spoken on and often had speakers on topics. It was a place to bring matters up of concern and try to get them taken back to the relevant department at Shropshire Council.
